OBJECTIVE

Motivated and enthusiastic Computer Science and Engineering student at CMR University with a solid foundation in programming, software development, and data analysis. Seeking internship opportunities to apply and enhance my skills in software engineering, web development, or data science.

EDUCATION

Bachelor of Technology in Computer Science and Engineering, CMR University *(Pursuing)*

CGPA: 7.89

12th PUC, Ramaiah PU College *(2020–2022)*

Percentage: 78.3%

10th STD, R.T Nagar Public School (ICSE) *(2020)*

Percentage: 81%

PROJECTS

Solar Quest

Developed Solar Quest, a smart solar panel system that auto-adjusts its position based on the sun's movement. Used Arduino, servo motors, and light sensors (LDRs) for real-time solar tracking and efficiency optimization.

Obstacle Avoidance Robot

Designed and built an Obstacle Avoidance Robot using Arduino Uno, ultrasonic sensors, and DC motors. Programmed the robot to detect and avoid obstacles in real-time by adjusting its path dynamically.

Student Management System

Developed a Student Management System to manage student records, including registration, updates, and search functionality. Used HTML, CSS, and JavaScript for the front-end interface and MySQL for database management.

CERTIFICATIONS

Full Stack Web Development *Udemy (May-2023)*

- Learnt HTML, CSS, JavaScript
- Learnt MERN stack

Data Visualization *Udemy (Jan-2024)*

- Jupyter Notebook
- Graphs, Pie Charts, Data Cleaning

TECHNICAL SKILLS

Programming Languages Java (Intermediate), C/C++, Python (Basics)

Web Technologies HTML, CSS, JavaScript

Databases MongoDB, MySQL

Data Science Visualization, Power BI (Basics)

ACHIEVEMENTS

Java Hackathon

Secured 1st place in a college-level Java hackathon for problem-solving and teamwork.

Smart India Hackathon 2024

Grand Finalist at national level Smart India Hackathon 2024 for innovative solutions and technical expertise.

EXTRA-CURRICULAR ACTIVITIES

Currently the Marketing Head of the Inferno Club at CMR University, driving brand visibility and engagement initiatives.

Organized a range of large and small events at the university level, demonstrating strong event planning and coordination skills.
